

Safety Training Policy

Karson Builders Inc. will provide and employees will participate in safety and all related training that is necessary to minimize losses of human and physical resources for our company. This training will include but not be limited to:

- Safety orientations for newly hired personnel.
- Job specific training, and safety training for the site superintendents and management.
- Task specific training and certification.
- Specialized training and related training.
- Refresher and updaters training.

Orientation prior to working on any Karson Builders Inc. job site must include:

- Understanding worker rights under the OSHA legislation.
- Understanding of the Safe Job Procedures and Safe Work Practices relevant to the scope of work expected of the worker.
- Understanding of Karson Builders Inc. safety policies.
